

## Report on Armadillo #40 “On the Road”

October 19-21, 2007 The Excel of the Armadillo team presented our 40th spiritual retreat weekend exercise at the Lake Sharon Retreat Center in Corinth, Texas. This was an exciting journey for our team in that we took our retreat "on the road" to the Dallas-Fort Worth area, Texas.

We were invited to share the EXCEL retreat with former members and friends of the old Excel of the Trinity team which was an active team in the 1990's. It is their desire and hope to activate this former Excel team with new and energized members joining with several remaining former members of this team.

The exercise was one filled with energy, excitement and joy! We ended up with 38 participants which included 9 of our team and 2 friends from Houston, 8 friends from the Dallas area and 19 first timers.

God was indeed good to us and we had a great time in Christian Community Living .

De COLORES!
